Black Book®

Christopher, ABC Dealership is prepared to pay

up to **\$XXX,XXX**

for a 20X5 Var. Make5 Var. Model5!

Christopher,

ABC Dealership is looking for individuals who may own a 20X5 Var. Make5 Var. Model5. If you or some one you know own this type of vehicle or something similar, we want to buy it or trade for something newer. A severe shortage in pre-owned vehicles nationwide has made it nearly impossible for ABC Dealership to purchase high demand vehicles.

It only makes good business sense for us to purchase vehicles from individuals who live locally.

After checking all of our appraisal guidelines in Black Book®, this vehicle's regional market value is between \$XX,XXX and \$XX,XXX*. However, based on our need, we feel that this vehicle could be worth up to <\$X,XXX> more. There is no purchase necessary. We must restock our inventory now.

If you need to replace your vehicle, there has never been a better time to upgrade. In fact, with new incentives, lower interest rates and aggressive discounts, you may be able to upgrade into a **new 2011 Var. Make5** with payments that may be **equal to or even less than your current payment.**

Sincerely,

Manager Bob
