

CHRISTOPHER,

If you are a satisfied customer of **ABC Dealership**, the highest honor you can pay us is to refer a friend. If you have someone you care about and want that person to get the best deal on a Chevy vehicle or on service in the area, **send them our way.**

We'll do our best to make your friends our friends as well.

As a token of our appreciation for your continued support, when your referral is presented at the time of service, **you will receive a coupon for \$25 off your next service.**
