

Nilda,

ABC Dealership is contacting valued customers who own 2004 Chevrolet Cavaliers or something similar. Due to a severe shortage in pre-owned vehicles nationwide it has made it nearly impossible for ABC Dealership to purchase high demand vehicles. (Auction values are at a 16 year high)

***It makes good business sense for us to purchase pre-owned vehicles from our local area.***

There is no purchase necessary, we must restock our inventory now. However, if you need to replace your vehicle, there has never been a better time to upgrade. ***In fact, with new incentives, lower interest rates and aggressive discounts you may be able to upgrade into a new 20XX with payments equal to or less than your current payment.***

***Again, there is no purchase necessary, WE NEED PRE-OWNED VEHICLES.***

*Nilda, we have created a special web site for you to go to and confirm your vehicle value*
