Notice of Change of Public Record

Variable First,

Based on our records you have been discharged from a bankruptcy filing. ABC Dealership, in conjunction with our preferred lenders, has established a program which enables you to purchase a new or quality pre-owned vehicle of your choice. We specialize in working with individuals who have filed for bankruptcy and are having trouble finding the financing they need to purchase a new or pre-owned vehicle.

In fact, we deal with only the best bankruptcy lenders in the country. Regardless of your past credit history, you can be qualified for an auto loan. We help people just like you to re-establish their credit. Being turned down for a loan can be discouraging, and it may seem like paying a super high interest rate is the only way. However, at ABC Dealership, we've developed a program designed only for those customers who have recently been involved in a bankruptcy.

We want you to have the fresh start you deserve Variable First! Plus, we're confident that during this event you can get into a newer vehicle with little or no money out of pocket and a monthly payment that fits your budget. Just bring in the attached assistance voucher and we will give you an additional amount of up to \$3,000 towards your vehicle purchase!

Sincerely,

Finance Officer
