Dear Variable First Last Name,

If you are considering using your 2011 tax refund as a down payment for a new vehicle. **WE WILL DOUBLE YOUR REFUND** by up to \$2,000.

Dealership Name is contacting valued customers who may own VARIABLE YEAR MAKE MODELS. Due to a recent demand of pre-owned vehicles, we are in need of specific used vehicles like yours to meet customer demand.

We are interested in purchasing a VARIABLE YEAR MAKE MODEL or something similar before DAY and MONTH.

At Dealership Name, it makes good business sense for us to purchase vehicles from our valued customers who live locally and service locally instead of purchasing used vehicles in the wholesale market.

There is no purchase necessary, we will buy back your vehicle even if you don't buy ours! However, if you need to replace your vehicle, there has never been a better time to upgrade. In fact, with new incentives, low interest rates and aggressive Dealership Name discounts you may be able to upgrade into a new MODEL for less than you are currently paying.

Sincerely,

General Manager

Variable First, go to and confirm your vehicle value.
